

# Recovery Continuum

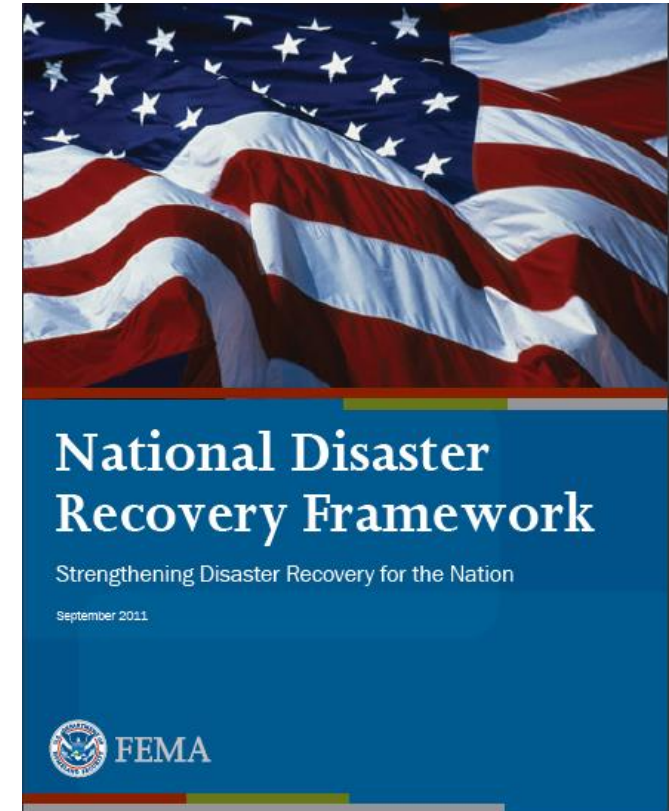

# Expanding Recovery and Resilience

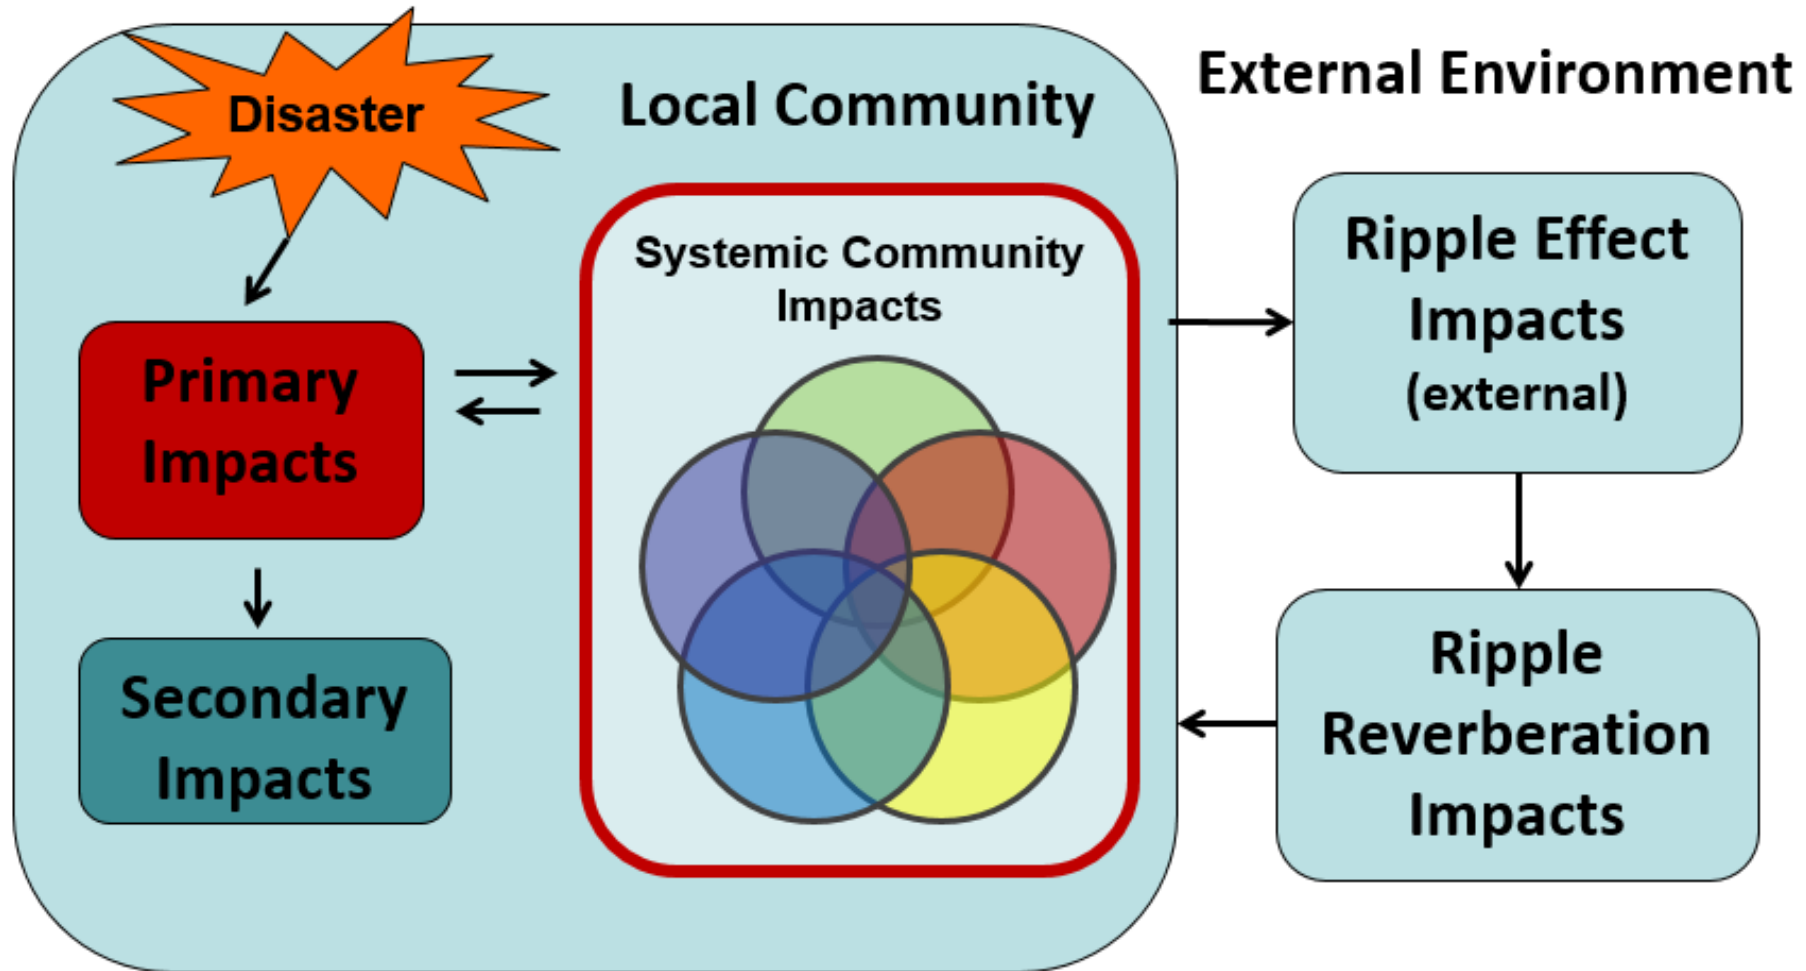

# National Disaster Recovery Framework

The National Disaster Recovery Framework (NDRF) enables effective recovery support to disaster-impacted States and Tribes through a **unified and collaborative process**.

The focus is on how best to restore, redevelop and revitalize the health, social, economic, natural and environmental fabric of the impacted areas and to build resilience.

# Cascading Impacts of Disaster

# Key Core Principles

- Leadership and Local Primacy
- Partnerships and Inclusiveness
- Unity of Effort
- Timeliness and Flexibility
- ***Resilience and Sustainability***
- Pre-Disaster Recovery Planning
- Public Information
- Individual and Family Empowerment
- Psychological and Emotional Recovery
